Creation Connection

The Bible has many references to the connection between Jesus and the creation. The everything and everyone exists in the Son and he fills all things everywhere .

This connection is the reason that the gospel is good news for all humanity. Since Christ fills everyone with himself and everyone exists in him, it therefore follows that when he died we all died, when he rose we all rose, and when he ascended to the Father's right hand we all ascended. There is no other god in whom we can exist, therefore our continued existence depends upon Jesus taking us with him wherever he goes: the cross, the grave, the right hand of the Father.

Here's a list of some of the scriptures that describe this connection:

John 1:3-4

Acts 17:28

Ephesians 1:10, 1:23, 4:10

Colossians 1:16-17

Hebrews 1:2-3
